

## **Transforming Leadership Initiative: Enrollment Process**

### **Thank You For Beginning Your Journey**

The acceptance process is a combination of a written application and reference letters from some key people in your ministry and life. These combine to give us a picture of you personally and professionally. These will be reviewed by our team and, if helpful, we may follow up with a conversation via telephone or email. We want to be sure that you are a good fit and will feel like you are in the right place if accepted!

### **Application Requirements**

Applications should be filled out online and submitted prior to March 15, 2009. Because we use a rolling application process, you may apply sooner and we will review your materials as they come in. Earlier applications will get earlier responses! With the application you will also need to request the following references:

- \* 1. The council president of the congregation where you serve
- \* 2. A trusted mentor who has a sense of your leadership potential
- \* 3. Your spouse (if married).

All letters may be submitted online and will be treated confidentially.

### **What To Expect After Completing Your Application**

Once we have received all of your materials, our admissions team will review the materials and respond to you. The application is March 15, 2009 and acceptance responses will be sent out by April 30, 2009.
